2. If you choose to mail in your registration forms, you must have the packet to the Registrar by June 29, 2006 (postmark date) or in the Registrar's box before 5:00 pm on the date specified. If you mail in the registration packet, you do so at your own risk of loss. Please contact the Registrar to confirm receipt of your package.

3. All registration documents must be complete at the time of registration or the player or team will not be registered, especially the **Combined Team Registration, Field Availability, Waiver Form**. Additional forms are on our website at: noasa.org.

4. Payment in full must be received at registration. If you are a member of a large club with several teams, you must obtain the check or cash to register from the club treasurer to bring with you at registration. All checks must be payable to Northeastern Ohio Amateur Soccer Association or NOASA. We cannot and will not accept checks made payable to GAASA.

5. Examples of registration documents needed are attached. The Registrar is not authorized to make any exceptions to the rules. You must use NOASA forms, not GAASA.

8. As before we will continue to use the drop off box at the Registrar's home. It will be outside and easily accessible. Please follow instructions on box for dropping and picking up your registrations. PLEASE, if you accidentally pick up another team's packet, notify the Registrar at once and return it to the Registrar immediately. Please allow at least 3 days for the Registrar to complete your registration-this means if you want the player to play in your Saturday morning game, you must get the registration to the Registrar by no later than Wednesday morning.

9. If you have any questions, please contact the Registrar or any Board member. Thank you for your cooperation.
